Subject: EPA-CARB 6/11 Meeting - SJV Session

Hi Laura,

Thanks for the chat last Friday. Here's a draft agenda for our 40-min break-out session on SJV. Feel free to revise as you like, and we can make changes on the fly tomorrow (e.g., remove sub-bullets?). I'm not sure who all on our end will go to this session but may learn by the end of the day. Please let me know if you want to chat again; otherwise, see you tomorrow!

-Rory

Draft Agenda – SJV Breakout Session

- Intro: Favorite things or observations about SJV, the place (e.g., geometry of almond tree planting!)
- Plan status and big picture
 - Ozone – final rule published 2/12/2019 and 3/25/2019; litigation pending
 - PM2.5 – plan submitted 5/10/2019: EPA evaluation and rulemaking underway; CARB updates to Board in Fall 2019
 - PM10 – plan under development with Dec. 2019 target for District Board adoption
- Planning for supplemental clarification(s)/submission(s) for PM2.5
 - Incentive measure(s), State/District prohibitory measure(s), analysis
- Planning for 2nd PM10 maintenance plan
 - Base year selection, exceptional events, contingency measures; PM10 mitigation plan
- Best means to engage District staff/management
 - QM reports, incentive measure(s), prohibitory measure(s), PM10 plan, etc.
- End: Items to carry to broader group on 6/11
